Process description

Service requests

An application may be submitted in person, by post or by electronic means (by sending an e-mail signed with a secure electronic signature (eParaksta) to an institution or by using an e-address of the State Police.

By requiring onsite services, to present a personal identification document (Passport or ID card).

Required documents:

1. application;
2. a document attesting the acquisition of the occupation or qualification of a pyrotechnic technician or the acquisition of a vocational education, vocational development or vocational orientation programme necessary for obtaining a pyrotechnic certificate and the completion of a qualification test in an educational establishment (copy);
3. one photograph (3 x 4 cm).

Receipt of services

The State Police Licensing Commission shall examine the issue regarding the issuance of a pyrotechnic certificate and shall

notify the submitter of the results.

A certificate may be obtained in person in paper form or in the form of an electronic document by sending an electronic mail address or e-mail address indicated in the applicant's application.

When issuing a pyrotechnic certificate, the licensing commission shall ascertain in accordance with the procedures specified in regulatory enactments that the payment of the State fee has been received in the State budget.

Make a payment
