Process description

Service requests

In case if a natural person wishes to transfer his or her weapons, the essential components to be altered, ammunition and gunpowder, high energy pneumatic weapons for a period of storage to the State Police, the natural person shall submit a submission (in free form) to the regional administration of the State Police in conformity with the declared place of residence, the additional address indicated in the declaration or the location of the immovable property (State) (in the State Police Unit where the relevant firearm has been registered and a storage/carrying permit has been issued).

Receipt of services

After examining the submission, a person shall transfer his or her firearm and ammunition, as well as the relevant weapon permit to the State Police unit, where the relevant firearm has been registered and a storage/carrying permit has been issued. The State Police shall provide charging services in accordance with the schedule specified in Cabinet Regulation No. 903 of 24 September 2013, "Price List of State Police Charge Services". The fee for the storage of weapons and ammunition of individuals at the State Police shall be EUR 0.89 per hour (price with VAT).
